Danielle is fresh out of college and should be ready to face the world, but she's terrified of failing, both in her life and in love. Everything feels safe, from her boring starter job to her tiny, depressing apartment that is until she meets Evan, the coworker who pokes all of her buttons in all of the right ways. He's cute, sweet, and self-assured and has a way of seeing the brave, sarcastic woman underneath her worries. He also has a way of getting her into the most compromising positions in the most unlikely places. As their work email heats up, their relationship moves from friends with benefits to more than just benefits. But, like all fledgling couples, they'll have to overcome a few obstacles on their way to their happily ever after, including evil German shepherds, boomerang ex-boyfriends, scheming coworkers, and company parties gone awry.
