Sandy's marvellous menagerie of energetic pigs, dogs, hippos, rabbits, ducks, turkeys - and, yes, many, many frogs - add additional life to the marvellous text, and help explain (in I Have a Dog) why a junkyard mutt who won't sit, roll over, or beg is just about the best dog a kid can own. The music and full lyrics appear in the back section of the book.

Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
