## Collins Student Atlas (New edition)

By Collins Maps

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Collins Student Atlas (New edition), Collins Maps, Completely new and extended edition of the best-selling Collins Student Atlas. Created specifically for Key Stage 4 students, and a vital tool for all students. The Collins Student Atlas has been specifically designed for students aged 14-16, but its well-researched and uncluttered design makes it suitable for all students. This fifth edition has been extensively revised, updated and extended. It features up-to-date reference and thematic mapping, mapping skills, country-by-country statistics and a fully comprehensive index to all names appearing on reference maps. Thematic maps and accompanying graphs and tables adhere strictly to the National Curriculum guidelines and cover topics such as Tourism, Telecommunications, Environmental and socio-economic topics. All maps have been fully updated using the latest statistical information available. The inclusion of a selective list of web addresses on each thematic page ensures students are motivated to explore more deeply into a topic. High quality satellite imagery, which has been selectively used within special topic or study areas, supports data on the maps and is used to illustrate key environmental issues. Extensive lists of statistics for demographic and socio-economic facts provide up-to-date data for students...

### Reviews

*This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, alter the way I really believe.*

-- **Justice Wilderman**

*This pdf is very gripping and fascinating. We have read and that I am certain that I am going to go to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
