*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Simon & Schuster/Paula Wiseman Books, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "The writing reveals just enough, allowing the artwork to fill in the rest of the story. Magoon's whimsical cartoon illustrations featuring rough lines are reminiscent of those in Mo Willems's *Leonardo, the Terrible Monster* (Hyperion, 2005). This artistic style proves effective in conveying the look of monsters without the frightening attributes. In fact, the art complements humorous tone of the story, and the interplay of text and illustration is such that the book comes across as the product of one mind instead of two. A fun and delightful read for all children who have both a monsterly and a kind side."--SCHOOL LIBRARY JOURNAL, August 2010.
