The frequent sharp turns in the stock market are causing shrewd investors to look more and more towards real estate as an investment. The outstanding requisite for success in real estate brokerage is a thorough knowledge of the subject. This may be obtained in two ways: First. In a practical way through close application and years of experience. Second. Through a thorough study of those works which treat of the methods which experienced brokers have found conducive to success. This brief treatise is simply a stepping stone to that field of literature which treats the subject in a detailed and comprehensive manner and goes to make up the real estate man's complete library. The author has made
