Personality development is a continuous process which starts from the birth and continue till the death. To develop an ever shining personality like a diamond needs heavy cuts. Mother plays an important role for the early trimming of the personality. The education, training and personality development start from the lap of mother. A new born child has all natural shinning abilities and capabilities like a raw diamond found in the mines. Now, there is a need of highly skilled hands to bring its shine from inside to outside. It is only possible through the hard cuts and soft touches with the highly sophisticated process and proficiency. Human personality can shine forever if its trimming has been done through the kind and highly skilled hands. Human has millions aspects, abilities and reasons to shine and play a vital role on the stage of this world. There is a need to identify the specific role for every human to explore the nature shine at its maximum. This book may help in some extent for this. This item ships from La Vergne, TN. Paperback.
