

Oxford Handbook of Critical Care

By Professor of Intensive Care Medicine Mervyn Singer, Clinical Professor Division of Critical Care Andrew Webb

Oxford University Press, United Kingdom, 2009. Part-work (fasciculo). Book Condition: New. 3rd Revised edition. 180 x 106 mm. Language: English . Brand New Book. The fully revised, third edition of this bestselling Handbook describes best practice of critical care in a succinct, concise and clinically-orientated way. Covering the principles of general management, it includes therapeutic and monitoring devices, specific disorders of organ systems, as well as detailed information on drugs and fluids. New material has been added on key areas such as airway maintenance, dressing techniques, infection control, echocardiography, tissue perfusion monitoring, coma and more. With up-to-date references and invaluable clinical advice, there is also plenty of space to add notes or amend sections to suit local protocols. Patient-centred and practical, it will serve the consultant, trainee, nurse or other allied health professionals as both a reference and aide memoir. This is the indispensable Oxford Handbook for all those working within critical care.
