Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It is designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

D. 1567, to Abner Torrey, of Weymouth, Massachusetts With All Descendants of Abner Torrey, With an Appendix This book would not have been compiled but for the influence and service of three women to whom credit is due therefor: the suggestions of it by my mother some thirty years ago, and toward which she gathered records which would be unattainable now; the clerical aid of my daughter Nellie; and the present knowledge of Mrs. Sophia Wadsworth, rich in incident and suggestion, which has furnished clues to information essential to the fullness of the record, and otherwise irrecoverably lost. Books like this are not made in answer to a commercial demand, but rather to gratify private sentiment and various personal motives of no interest to the world at large. They are probably the unworthy forerunners of a class of books which may be produced in the future, when the raising of men is made a subject of scientific study. What we lack is knowledge of ourselves - knowledge concerning the ancestry from whom we sprung, and of the hereditary vices, virtues and other characteristics we have had imposed upon us. Every one perceives the importance attached to the recorded pedigree of any domestic animal, and the increased value which it may confer upon them, though they may not recognize with equal clearness that human pedigrees are possibly to become of far greater value. The history of the human race abundantly sustains and exemplifies that law of...
